

## ***Okemo Mountain School “Bumps and Jumps” Camp***

Dear Educator:

Okemo Mountain School will be holding its annual “Bumps and Jumps” Freeride/Freestyle Ski Camp this January 27<sup>th</sup> - 31<sup>st</sup>. Your student will have the opportunity to train each morning with our coaches and athletes. After on hill morning training sessions the students return to Okemo Mountain School where they will continue the schoolwork sent from you as their sending school teacher. The students will have supervised study halls with support available from our OMS teachers in all major subjects, as well as French and Spanish. This is a great opportunity for your student to see the commitment and dedication that is needed to make the next step in competitive snowboarding.

We ask that you provide a list of assignments that will need to be completed during the week to your student. Tests and quizzes can also be administered and sent via fax or email (email is preferred). You can fax the assessments to 802-228-1511, email them to me at [mmeringolo@okemomountainschool.org](mailto:mmeringolo@okemomountainschool.org), or send them in a sealed envelope with your student. We will return work either in a sealed packet at the end of the week with your student or by fax or email as it is completed, whichever you prefer.

Okemo Mountain School is an approved independent school through the state of Vermont for grades 5-12. The school is in its 28<sup>th</sup> year as an academic and athletic institution. Over the years students have been accepted into outstanding colleges and have had much athletic success. We are proud of what our staff and students have accomplished and we look forward to working with you.

Please do not hesitate to call me with any questions you may have. On behalf of the faculty and staff of Okemo Mountain School, we look forward to a great week.

Thank You,

Mariel Meringolo  
Head of School  
Okemo Mountain School
