

Okemo Mountain School Valentine Victory Camp

Dear Educator:

Okemo Mountain School will be holding its annual Valentine Victory Camp from February 10th-14th. Your student will have the opportunity to train each morning with our coaches and athletes. After on-hill morning training sessions they will return to Okemo Mountain School where they will complete the schoolwork sent from you as their sending school teacher. The students will have monitored study halls in which to complete their assignments, as well as access to teachers in all major subjects, including French and Spanish, for assistance should they need it. This is a great opportunity for your student to see the commitment and dedication that is needed to make the next step in competitive ski racing.

We ask that you provide your student with a list of assignments that will need to be completed during the week. Tests and quizzes can also be administered and sent via fax or email (email is preferred). You can fax the assessments to 802-228-1511, email them to me at mmeringolo@okemomountainschool.org, or send them in a sealed envelope with your student. We will return work either in a sealed packet at the end of the week with your student or by fax or email as it is completed, whichever you prefer.

Okemo Mountain School is an approved independent school through the state of Vermont for grades 5-12. The school is in its 28th year as an academic and athletic institution. Over the years students have been accepted into outstanding colleges and have had much athletic success. We are proud of what our staff and students have accomplished and we look forward to working with you.

Please do not hesitate to call me with any questions you may have. On behalf of the faculty and staff of Okemo Mountain School, we look forward to a great week.

Thank You,

Mariel Meringolo
Head of School
